

# Enrollment Checklist

Enrollment for the 2025–2026 school year is now open! Follow the steps below to enroll your student. Enrollment consultants at the K12 Enrollment Center are available to assist you throughout the process at **877.463.6198**.

- Your first step in the enrollment process is to **submit the “Declaration of Intent” form**. This form puts your student on our waitlist. You can access the form in Step 1 of [6 Steps to Enroll](#).
- Next, if you haven’t done so already, **set up your “Parent Portal” account** and **complete an enrollment application**. You can access the Parent Portal in Step 2 of [6 Steps to Enroll](#).
- When a seat becomes available** during our enrollment cycles, **the school registrar will contact you directly** by phone and/or email. It is important that *you keep your contact information up to date*. If a seat is not available, you will be notified via email.
- If you are offered a seat**, you will receive an email with a link to **complete your “Commitment to Enroll” form**. This begins your process to enroll at MEVA and acts as a promissory note that **you are committed to finalizing your enrollment with us for the 2025–2026 school year**. (*Military families, migrants, and McKinney Vento-qualifying students should contact the school at 207.613.8900 or [mcrosby@mainevirtualacademy.org](mailto:mcrosby@mainevirtualacademy.org) for ease of access as outlined in federal and state policies.*)
- Once we receive your “Commitment Form”, you will be required to **submit enrollment documents** to *finalize* your student’s enrollment. Your Parent Portal account will become active, and you will then be able to *upload pictures/scans of your documents in the portal*.

## Documents to be uploaded into the Parent Portal are:

- a. **Proof of Age** (*typically a student’s birth certificate*)
- b. **Proof of Guardianship**

- c. **Proof of Immunizations**  
*As of Sept 1, 2021, the State of Maine made it mandatory for all public-school students, including charters and virtual charters, to comply with the new regulations. Students not current on childhood vaccines may not be eligible to enroll at MEVA. Certain exemptions may apply. *Residency is defined Primary, domiciled, or statutory residency is defined by where you and your student spends most of your time. The state in which you are domiciled is your permanent legal residence.
